Sir:

Further to Applicants' Duty of Disclosure pursuant to 37 C.F.R. §1.56, Applicants wish to bring to the Examiner's attention the material cited on the enclosed PTO-1449 form.

Pursuant to 37 C.F.R. §1.98(a)(2)(ii), copies of the cited U.S. publications and/or patent documents have not been included. Copies of all other cited documents are enclosed.

References AI-AO are submitted herewith in the Japanese language with an English language abstract. The relevancy of references AI-AK is set forth in the

enclosed Finnish Search Report of the counterpart application as category "X", publication, on the basis of which the invention is not new or does not substantially differ from the previously known techniques. The relevancy of references AO is set forth in the enclosed Finnish Search Report of the counterpart application as category "T", published after the filling date or priority date of the publication and illustrates the principle or theoretical background of the invention. The relevancy of reference AM is set forth in the enclosed International Search Report of the corresponding PCT application as a category "A", document defining the general state of the art which is not considered to be of particular relevance. The relevancy of references AL and AN is set forth in the enclosed International Search Report of the corresponding PCT application as a category "Y", document of particular relevance the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in the art.
